

I.V. Therapy Cart

Artromick Medical Cart Line

Methodically organizing the varied supplies associated with I.V. preparation has never been easier than with the spacious and durable Artromick I.V. Therapy Cart line. An expansive and sturdy work surface offers ample room to efficiently prepare I.V. solutions. Added work area can be achieved with the sizable slide-out work surface that can be positioned on either side of the cart top.

Of course, an adjustable and stable I.V. pole can be positioned on the cart to meet your specifications. And to maximize organized work flow, the Artromick I.V. Therapy Cart line features spacious and fully customizable drawers that permit you to design hundreds of different drawer configurations.

I.V. Therapy Cart Features
